## Family Device Loan Scheme

## Free device loans for families at this school

## What is it?

This school is a member of the Norfolk County Council Device Loan Scheme. If you need a laptop to fill in forms, access services or want to improve your digital skills, you can talk to the school and borrow a device.

## How does it work?

Speak to your school

Agree a loan period Use the device at home

Return it to your school

The school has details of the devices available to borrow.

Depending on what you need, this might be a few days, or a few weeks - the school will help you to choose.

The device is ready to use (once you connect to your WiFi) and has links to digital skills training you can access.

Once you return it, the device is wiped and will be ready to loan out again.

To find out more, or to borrow a device, please speak to:
